**School Health and Safety Policies**

School health and safety policies are designed to protect the well-being of students, staff, and visitors. These policies cover a wide range of areas, including:

**1. Physical Safety**

- **Emergency Procedures:** Clear guidelines for fire drills, lockdowns, and evacuations.
- **Building Safety:** Regular inspections of facilities to ensure structural integrity, proper lighting, and functioning safety equipment (fire alarms, fire hose cabinet, extinguishers).
- **Visitor Policies:** Access control measures, such as visitor sign-ins and supervision, to ensure the safety of students and staff.

**2. Health Protocols**

- **Hygiene Practices:** Handwashing protocols, availability of hand sanitizers, and cleanliness standards for school premises.
- **Illness Management:** Policies for managing contagious diseases, including procedures for when students and staff show symptoms of illness (fever, coughing).
- **Medication Administration:** Clear guidelines for how medications are handled and administered at school.
- **Vaccination Requirements:** Adherence to state or regional immunization laws and requirements for students.

**3. Mental Health and Wellness**

- **Counseling Services:** Access to mental health professionals and resources to support students facing emotional challenges.
- **Bullying and Harassment Prevention:** Anti-bullying programs, reporting procedures, and response strategies.
- **Stress Management:** Promotion of mental wellness through activities, such as mindfulness or physical exercise.
